

Walker River Irrigation District

Established in 1919

January 14, 2020

Dear Colony Water Users:

The Walker River Irrigation District will be doing some regular scheduled repair and maintenance work on the entire length of the Colony Ditch and easements along the ditch. Work will begin mid-February. If you have any question or concerns, please contact Walker River Irrigation District.

Walker River Irrigation District

Monday – Friday

7:30 AM – 3:30 PM

775-463-3523

Sincerely,

A handwritten signature in blue ink that reads 'Robert C. Bryan'.

Robert C. Bryan, General Manager
